Sir:

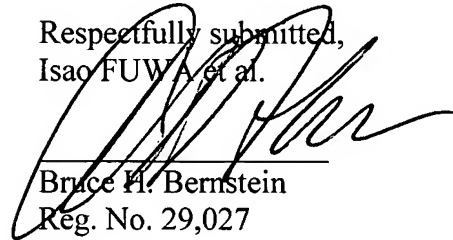

Applicants note that papers labeled Corrected Notice of Allowance and Notice of Allowability were received by Applicants indicating a mail date of April 27, 2007, and that the issue and publication fees were due by June 6, 2007. However, Applicants had not received the original Notice of Allowance setting forth a three month period for paying the issue and publication fees.

During telephone calls with the examiner, his supervisor and Ms. Sewell, the undersigned was advised that the Notices will be withdrawn, and a new Notices of Allowance and Allowability will be mailed setting a new time period for paying the issue and publication fees.

Applicants further note that newly mailed Notices of Allowance and Allowability mailed June 4, 2006 have been received by Applicants, whereby the issue and publication fees are presently due by September 4, 2007.

If there are any questions, the Examiner is requested to contact the undersigned at the below listed telephone number.

Respectfully submitted,
Isao FUWA et al.
